

Holon, 16 February, 2003

Declaration of Conformity
(according Annex III of the IVD Directive 98/79)

To whom it may concern

This is to certify that the following IVD products

Vacuum & Nonvacuum Blood & Urine Collection Tubes & Kits
EstarVac® - Evacuated blood collection Tubes
MiniStar® - Nonevacuated capillary and regular blood collection tubes
UrineVac® - Vacuum urine collection tubes/kits
LeucoVac® - Vacuum collection tubes for the separation of mononuclear
cells from whole blood in primary tube.
SediStar® - ESR sedimentation system/tubes
MonoCap® - Sealing Closure, especially for vacuum-sealing of test tubes.

are manufactured by

Estar Technologies Ltd.
15, Hamerkava St.
Holon, Israel

These products complies with all essential requirements (Annex I) of the IVDD.
This compliance has been properly documented using a checklist created from Annex I of
the IVDD, linked to all supporting documentation. This documentation included both
product specific and process (Quality System) specific documents.
These products have a quality system in place based on ISO 9002.

The certificate is valid from *1 April 2003*.

This declaration of Conformity is signed below, certifying these requirements have been
met and documented.
